Sunday Morning Kid's Song!

Something you may have noticed is that each Sunday we here at Northwest try to get the young kids up in front of the congregation. Usually this takes the form of a song, but it can also be a special lesson or big event like the Christmas pageant. We believe that it is important to keep the kids actively involved in our worship service. Worship is a very special time each week. It is meant to

be shared by people of all ages, not just adults. By giving our young kids a chance to lead a song or hear a special lesson keeps them engaged and gets them excited for church. It also blesses all of us, as we watch them learn about Jesus through story and song. The church is a family, from the oldest member to the youngest member, and it is important for families

to spend time all together. Thank you for encouraging our youth to grow in Christ.

VBS Meeting!

Get ready, because our first VBS meeting will be on February 19 right after services! This first meeting will be a very brief informa-

tional meeting going over the dates for VBS and getting some initial volunteers.

There will be more

in depth meetings in the future, so keep your eyes peeled for updates!

Mission Trip to Ohio

As most of you probably know, our summer mission trip this year will be to Steubenville, Ohio with the YouthWorks organization. Sign up must be done by February 12th. Any one who tries to sign up after that date will be turned away. We have to reserve spots with YouthWorks and cannot be adding spots late willy-nilly.

If you are interested in signing up, see Ryan. There will not be a sign up sheet on the board. It is also imperative that you attend the meetings concerning the mission trip if you want to go. This will be a great trip. Every YouthWorks trip we have done in the past has been excellent. We want as many people as possible to go.

Youth Spotlight Ronald Akpan

This section of the bulletin is for showcasing the various youth in our congregation. This month's star is Ronald Akpan.

Ronald recently starred in Dunlap High School's production of Big Fish and did a great job as the giant Karl. He is also a great singer!

Ronald is also always engaged in Bible class. He is always willing to read Scripture when asked, and he always has insightful things to add to a discussion. All in all we are blessed to have Ronald, and the Akpan family, here at Northwest. I see Jesus in Ronald.
